JUNAID ASLAM

Flutter Engineer | Android & iOS App Specialist

📞 +92 310 1417850　　@ junaidaslam.muet@gmail.com　　🔗 linkedin.com/in/20sw084/　　🔗 github.com/20sw084/　　📍 Islamabad, Pakistan

SUMMARY

Flutter Engineer with 1+ years of experience in creating and developing cross-platform mobile applications. Proven track record in improving user engagement and revenue growth through optimizing apps performance and integrating it with third-party services. Looking for an opportunity with an expert team.

EXPERIENCE

Flutter Developer

Jatso

📅 01/2025 - Present　　📍 Remote

- **Enhancing app stability** by actively identifying and fixing performance bottlenecks, leading to a smoother user experience.
- **Implementing scalable state management solutions** (e.g., GetX, Provider, RiverPod) to optimize app architecture.
- **Improving app load times** by optimizing API calls, caching strategies, and reducing unnecessary re-renders.
- **Developing and integrating custom UI components** to ensure a seamless and visually appealing user experience.
- **Leading debugging efforts** using Flutter DevTools, resulting in a significant reduction in crash reports.
- **Collaborating with cross-functional teams** to align development with business goals, ensuring timely feature rollouts.
- **Implementing Firebase Analytics and Crashlytics** to track user behavior and proactively resolve app issues.

Flutter Fellow

Bytewise Limited

📅 01/2022 - 01/2023　　📍 Islamabad, Pakistan

- Developed and maintained **cross-platform mobile applications** using **Flutter**, ensuring smooth UI/UX experiences.
- Optimized **app performance**, reducing load times and improving responsiveness across Android and iOS.
- Implemented **secure authentication** (Firebase Auth) and **state management** (Provider, Riverpod) for scalable app architecture.
- Worked closely with backend teams to **streamline API interactions**, improving data fetching efficiency.
- Collaborated with **UI/UX designers** to create **pixel-perfect** and **user-friendly** mobile interfaces.

Mobile Application Engineer

Intra-preneur

📅 11/2022 - 01/2023　　📍 Hyderabad City, Pakistan

- Developed feature-rich mobile applications using **Flutter**.
- Integrated **RESTful APIs** for seamless backend communication, enhancing app responsiveness and efficiency.
- Implemented secure authentication using **Auth APIs**.
- Collaborated with **cross-functional teams**, ensuring Agile development practices and faster release cycles.

Freelance Application Developer

Fiverr

📅 02/2021 - 08/2022　　📍 Remote

EDUCATION

Bachelor of Engineering in Software Engineering

Mehran University of Engineering and Technology

📅 01/2021 - 01/2025　　📍 Jamshoro, Pakistan

- Coursework: Programming Fundamentals, Object Oriented Programming, Data Structures & Algorithms, Mobile Application Development (Flutter), Data Science, Artifical Intelligence.

PROJECTS

Farm Supervision & Analytics App

Developed a **Flutter-based** mobile app for **farmers and landlords** and a web app for **landlord analytics**. Implemented **secure authentication** (Firebase Auth), **efficient data management** (Cloud Firestore, SQLite, Shared Preferences), and **in-app messaging** (Firebase Messaging).

E-Commerce App

Developed a **Flutter-based** e-commerce **mobile app for customers** and a **tablet app for store owners** from Figma designs. Implemented **secure authentication** (Firebase Auth), **REST API integration**, **local data storage** (Shared Preferences), and **push notifications** (Firebase). Collaborated as a team member to ensure seamless functionality.

Chemistry Structure Drawing App

Developed a **Flutter-based** application for **note-taking and chemistry structure drawing**. Enabled users to create, edit, and organize notes while integrating **chemical structure detection and auto-correction**. Implemented **intuitive drawing tools**, **data storage**, and **cross-platform compatibility** for a seamless user experience.

SKILLS

Flutter　Dart　Firebase　REST APIs

Provider　GetX　Git　RiverPod

CERTIFICATIONS

Certified Flutter Developer

Certification in Flutter development with a focus on full-stack applications, awarded by LinkedIn Learning in August 2023.

English Proficiency Certificate (IELTS)

IELTS certification demonstrating proficiency in English language skills, awarded by the British Council/IDP in February 2025.

ACCOLADES

🏆 **Coding Competition Winner**

Winner of the Blind Coding Competition at Tech Arena 2021. Competed without IDE suggestions or assistance, showcasing coding proficiency and problem-solving skills

🏅 **Merit Based Scholarship (MUET)**
